Message from the Manager, Family and MWR Baumholder USAG Rheinland-Pfalz

Welcome to Your New Home!

The Baumholder military community is affectionately known as, 'The Rock" throughout IMCOM-Europe with good reason; not only are we (literally) located on mountains of rock in the Rheinland-Pfalz state of Germany, we are a close knit, rock-solid military community which embodies the Army values of Loyalty, Duty, Respect, Selfless Service, Honor, Integrity and Personal Courage from Command all the way to the folks serving the best pizza and hamburgers on post at our wonderful Strikers Bowling Center snack bar.

In short, you have just become part of the "Best Kept Secret in IMCOM-E", and we are thrilled to welcome you! Our goal is to be your first choice. Family & MWR operates 21 front door facilities, with an additional 14 'behind the scene' programs and offices in Baumholder. From the largest paintball field in IMCOM-Europe at our Outdoor Recreation area, to the award-winning LIVE theater performance program at Hilltop Theater, Family & MWR's mission is to bring you 'a little piece of home' during your overseas tour. To that end, we strive to deliver world class customer service and unique, innovative programming designed specifically for the Baumholder military community.

This magazine has been designed to give you a brief overview of what Family & MWR in Baumholder has to offer during your overseas tour at this installation. Special Events, such as Baumholder Idol and Community Wide events like our Independence Day Celebration, are just a few of the myriad opportunities for you to get out, get moving, and make lasting memories here on "The Rock".

Again, welcome to your new home! If there is anything we can help you with, or if you have ideas for events you'd like to see here in Baumholder, please don't hesitate to contact any member of our Family & MWR staff.

Ingrid Osewalt
Manager, Family and
MWR Baumholder
USAG Rheinland-Pfalz

Dear Reader:

Family and Morale, Welfare and Recreation (Family and MWR) invites corporate and individual businesses to support our community by taking part in the Corporate Sponsorship and Advertising Program. Family and MWR values brand loyalty and provides direct interaction with the Military market.

To begin, Family and MWR is a network of support and leisure services designed to serve the needs, interests and responsibilities of each individual in the Army community, as well as enhance the quality of their lives. From family, child and youth programs to recreation, sports, entertainment, travel and leisure activities—Family and MWR employees worldwide strive to deliver the highest quality programs and services at each installation. Family and MWR helps ensure Army readiness by caring for the people who serve and stand ready to defend the nation.

The Baumholder community consists of approximately 2,250 Military personnel, Family members, Retirees, and Civilian employees. Family and MWR believe your participation in sponsorship can provide heightened visibility and positive publicity that will continuously promote and benefit your company for years to come.

Sponsorship is an exchange of goods and/or services in return for public recognition, advertising and promotional benefits of an equivalent value. It is neither a gift nor a donation—it is a smart business decision that increases the visibility of the company's products and/or services that can be a most effective marketing tool. Sponsorship also establishes a deeper association and integration between markets and can prove to be a valued part of your company's marketing and advertising plan. The opportunity to support the events and/or programs provides measurable response within the military community. The sponsorship program offers your company an effective way to access a wide range of audiences while being able to gauge your customer's response to your products/services. The benefits are endless and it provides great means of broadening your competitive edge. Sponsorship acts as a faster growing form of advertisement and your company's image, prestige and credibility can improve greatly.

Whether you live within the military community or support those who do, your participation will be notable and recognizable; Family and MWR would appreciate your partnership to show those in the community that together we are here to support. It is our goal to give back to the military community and do all we can to enhance their lifestyle.

Again, we would like to invite you and your business to participate in the sponsorship and advertising program. Please contact us to find out more about the benefits of corporate and individual sponsorship and/or advertising at 0631-3406-4049.
Kind regards,

JR Orlando

MWR Philosophy

Soldiers are entitled to the same quality of life as is afforded the society they are pledged to defend. Keeping an Army ready to fight and win takes more than hard work and training. Hilltop Theater

Your source for quality entertainment

Community Theater at its best!

Hilltop Theater is your source for quality entertainment and exciting, engaging, live theatrical productions. Each season, we bring you the best in community theater productions with a stellar variety of contemporary and classic comedies, musicals, dramas, revues, family and youth shows.

While prior experience is welcome, it is not necessary to become an active participant in professionally led, award-winning theatre productions. A creative community outlet with a variety of volunteer opportunities to get you engaged and involved, each production has open tryouts and interviews for volunteer actors, singers, dancers, designers, painters, builders and stage managers. The theater also offers a strong youth program with two shows a year designed specifically for youth actors and stage crews under the age of 18. We also offer the annual two week DRAMA CAMP for youth from ages 8 to 18, as well as partnership programs with both SKIES and the Teen Center.

In addition to theatrical productions, if singing is your thing, a Master Music Class is offered twice a month, focusing on improving vocal capabilities and enhancing music reading skills. "Rheinland-Pfalz Idol" is one of the premier talent competitions, drawing participants from across Europe. This 4-week competition begins the first Saturday in June and culminates in the Finals, on-stage live, at the Independence Day Celebration. We also host the famous "UNDERWORLD" haunted house under the (rumored to be haunted) Rheinlander Club for two weeks, every year in October (when else?), with over 30 volunteer actors and set designers guaranteeing a frighteningly good time for the not-so-faint-of-heart.

Productions are always very popular, and you can check out the Family and MWR Baumholder website to see what shows are coming up next.

The Lagerhof Inn –Welcoming you in style

For most new arrivals, Army Lodging's Lagerhof Inn will be your first experience—your 'introduction' to the Baumholder community. The Lagerhof staff is well aware of this and is most eager to make you feel welcomed and comfortable as you embark on your European tour of duty. The original three buildings that make up the Lagerhof Inn were constructed between 1932-1934 and operated as a kurhotel by a private firm. During WWII the buildings were occupied by German forces, with U.S. Military forces beginning to utilize the facilities in the early 1950's. A complete renovation started in 1983, and the Lagerhof reopened in 1984. In 1999, the final building was added to complete the present Lagerhof Inn. Please enjoy your stay at our Army Lodging facility in Baumholder! It is our pleasure to serve you as one of our guests, and we hope you grow to love our military community as much as we do.

Indoor Swimming Pool

Come and make waves with us!

Baumholder is home to the Army's only aquatics facility in Germany. For an excellent cardio, low impact, high energy workout, or simply to relax, head over to the indoor swimming pool and get acquainted with the staff and facility. The helpful aquatics professionals are more than willing to help you with swimming techniques and the latest equipment available to get you in top shape in no time.

Baumholder Indoor Swimming Pool is a 25 meter, 5 lane pool with four swimmable lanes. There are showers available in the men's and women's locker rooms. The swimming pool is open to all SOFA ID cardholders and their Family members. Children 12 and under must be accompanied by a parent or adult guardian. Youth 13 and over, with valid SOFA ID, can use the pool unaccompanied (IAW AR 215-1). Also, the pool is open to local nationals, contractors, and others with a valid installation pass that authorizes use of MWR facilities. Guests with no SOFA affiliation can use the pool as long as they are accompanied by a valid SOFA ID cardholder. There is a nominal guest fee, per guest, which will need to be paid in advance of the guest using the pool.

Training equipment is available for usage for specific types of swim training. Instructions can be given by one of the aquatics professionals if you are unsure how to use a piece of equipment. US Coast Guard approved flotation devices are available for use for infants, youth, and adults. Pool toys are also available. Please do not bring outside pool toys or flotation devices.
There are a variety of quality aquatics programs offered. Aquatics training is offered for military units and covers a gambit of areas from traditional military aquatics training to alternative PT activities and water sports. Qualified instructors teach American Red Cross Learn-to-Swim classes for youth and adults. Other American Red Cross courses such as Lifeguard Training, Water Safety Instructor, Lifeguard Instructor and Junior Lifeguard are also conducted by certified staff. Additionally, other programs and courses are conducted periodically throughout the year.

The aquatics professionals can provide specialized aquatics training for Boy Scouts, Girl Scouts, or other groups for a small usage fee. Additionally, there are two rooms available for reservations. The Multi-Purpose Room is a cozy room in which to hold a birthday party, baby shower, get-together, etc. Also, there is plenty of space for classes, meetings, trainings, etc. for a nominal rental fee.

Contact the Baumholder Indoor Swimming Pool for information on wave-making programs, courses, classes, activities, etc. (see phone directory).

Value-Added Tax (VAT) Relief Office

Save money while shopping in Germany!

Save money while shopping on the economy by using Value Added Tax (VAT) forms. VAT forms permit U.S. Forces members to save the value added tax (VAT - currently set at 19% on goods/services and 7% on certain unprepared groceries) on authorized purchases at participating stores in Germany.

How do you buy a VAT Form?

- Visit the VAT office and register for tax relief.
- Determine the type of tax relief purchase you need:

- **Under 2,500 Euro**
- You may acquire up to 10 forms at one time.
- The forms are valid for 2 years from issue.
- The forms may be used by authorized Family members only.

- **Over 2,500 Euro**
- You first need to obtain a cost estimate made out to the VAT office and yourself, and a certified U.S. dollar or Euro check (depending on the currency the vendor accepts) made out to the vendor and the VAT office.
- The VAT Office will process the application and the German tax document (Abwicklungsschein)
- You then deliver the payment, along with the purchase order, to the German company in order to complete the purchase.

VAT Form Pricing

Be prepared and always have an extra form or two on hand. Buy more, save more!

Price Tiers

1-5 forms (priced individually)	$4.00
6 forms	$22.00
7 forms	$24.00
8 forms	$26.00
9 forms	$28.00
10 forms	$30.00

Utility Tax Avoidance Program (UTAP)

Germany has a "Sales Tax" called "Valued Added Tax" which accounts for 19% of the advertised price. U.S. Forces personnel stationed in Europe qualify for relief from this tax. The finance ministries of the NATO Forces established the Utility Tax Avoidance Program (UTAP) to allow authorized customers tax-free utilities with participating utility companies.
UTAP can save you hundreds of dollars annually off your utilities. With UTAP you will save the 19% value added tax on electric and gas and 7% on water. Additionally, you can save up to 11% additional cost per kWh on energy tax.

- The UTAP is a voluntary membership-type program open to U.S. military and authorized Civilian members of the U.S. Forces who occupy economy housing in Germany, however, it is DOD mandated for Civilians drawing LQA where the program is available.

To be eligible for the UTAP, the following must be presented to the VAT office:

- Active duty or DOD civilian ID card
- Official orders (active duty only)
- Signed rental agreement from the housing referral office or landlord, or proof of home ownership
- Utility company billing information for each utility company used by the Service member
- A $77 registration fee. This may be paid by cash, check, or credit card
- Spouse's name and social security number (if applicable)
- UTAP registration form filled out by the customer
- If a spouse, a Power of Attorney with authority to enter into contracts must be presented

Private Organizations play an important role in creating a positive community environment and improving the quality of life on Army installations. The Baumholder community offers an array of private organizations within the area.

Unit Funds: Military personnel receive MWR support through participation in MWR activities at the installation to which they are assigned. This support is received in the form of Unit Funds. Unit Funds can be used for events such as Organizational Days and Formals/Balls.

Please contact the Family and MWR Financial Management Office for more information regarding both private organizations and Unit Funds within the Baumholder military community (see phone directory).
